| Return Reference | Explanation | | | | |
| Schedule I, Part I, Line 2 | All Federal financial aid administered by Barnard College is based on demonstrated financial need as determined by the Federal Methodology formula. However institutional aid is determined using a Barnard Need Analysis formula which takes into consideration all sources of income and all assets. Barnard does not provide merit scholarships. The College believes that the primary responsibility for financing educational cost rests with each student's family, and all college aid is supplementary to family resources. Once need has been established, Barnard makes every effort to meet the need of all eligible students with a combination of grants, loans and employment opportunities. A student who is admitted to Barnard with financial aid cannot be guaranteed college grants for future years. Awards are for one academic year only. A student can receive Barnard aid for a maximum of eight semesters. Each semester a student is enrolled is counted towards the eight semesters of eligibility whether or not aid was received. No financial aid is given for summer study. If a student has room in her academic year financial aid package and has not already borrowed the maximum loans, these funds may be borrowed during the academic year to be used for classes the following semester. For financial statement purposes, the Pell grant awards of \$ 2,658,068 are excluded. | | | | |
